

EC Certificate

DGM - 473

This is to certify that the quality system of

Ultrasonix Medical Corp.

130 – 4311 Viking Way
Richmond, BC V6V 2K9
Canada

has been approved in conformity with the requirements of

Annex V, section 3.2 - Production quality assurance

of Council Directive 93/42/EEC concerning medical devices as amended and transposed into Danish law.

The scope of the certification is:

Manufacture and final inspection of diagnostic ultrasound systems in class IIa

The EC certificate is valid provided that the quality system continues to conform to the above-mentioned scope and provided that the company does not introduce substantial changes to the quality system without the approval of DS Certificering A/S. The EC certificate is issued pursuant to the DS Certificering A/S rules for the certification of medical devices and entitles the certificate holder to affix the CE mark.
